

# Recording Consent of New Patients for Data Sharing Initiatives in Camden

<p><b>Camden Integrated Digital Record</b> Local Initiative</p> 	<p>Camden Integrated Digital Record (CIDR), enables your Camden care providers, when they are treating you, to view the relevant information about the care you receive, and so give you the best possible care.</p>	<p>I want to:</p> <p>Opt out of CIDR. <input type="checkbox"/></p> <p><b>93C1</b></p>
<p><b>Summary Care Record</b> National Initiative</p> 	<p>If you have a Summary Care Record your health care providers can view your</p> <ul style="list-style-type: none"> <li>• medication (last 12m)</li> <li>• bad reactions to medicines</li> <li>• allergies</li> </ul> <p>when you're admitted to hospital, when treating you in an emergency, or when your practice is closed.</p>	<p>I want to have a Summary Care Record. <input type="checkbox"/></p> <p><b>9Ndm</b></p> <p>I do <b>not</b> want to have a Summary Care Record. <input type="checkbox"/></p> <p><b>9Ndo</b></p>
<p><b>Care.data</b> National Initiative</p> 	<p>Care.data aims to make increased use of information from medical records with the intention of improving healthcare via research.</p>	<p>I want my medical record to be part of Care.data. <input type="checkbox"/></p> <p><i>(no code)</i></p> <p>There are <b>2 levels of opt out</b>, you can opt out of both:</p> <p>I do not want my personal and confidential data to leave the Health and Social Care Information Centre <input type="checkbox"/></p> <p><b>9Nu4</b></p> <p>I do not want my personal confidential data to leave the GP Practice <input type="checkbox"/></p> <p><b>9Nu0</b></p>

Please read the above text and make your selection by ticking the box or boxes next to the right statement. Then please fill out the required information below, sign and date the form and return it to reception.

Name: .....

Date of Birth: .....

Signature: .....

Date: .....

*Office Use: the CIDR opt-out can only be added by select 'Sharing' from the menu bar anywhere in the care record of a patient. There you will find 'EMIS sharing consent' which is for opting out of CIDR and 'SCR Consent' for entering opt-in and opt-outs. Care.data read codes have to be added manually.*
